**All video yearbooks or video projects are created on VHS Video Tape. Only the best available video taken of the band activities at practices and events, along with game video from the press box, and field cameras are used to create any project listed. NOTE: The Video projects are created by Arizona Band Boosters volunteers, many of them Alumni, as time allows and they are NOT PROFESSIONAL QUALITY, but we do the best we can with the equipment we have. As with all projects, the more current efforts have been built upon past experiences and are better both in quality and presentation. We hope you enjoy or efforts. Any profits go to the Arizona Band Boosters Endowment Fund located in the Arizona Foundation at the University of Arizona for the benefit of the University of Arizona Band Students and program. Your order will be mailed ASAP (give us a month and we'll try to be sooner).**
